8th January 2010

Dear Parents

May I extend to you my deepest gratitude for the donations and gifts received at Christmas and wish you all every blessing in 2010.

The dates below highlight the events of this Half Term and relate to Form Five only; please consult the calendar of events for further information.

Pupils will be given up to date timetables regarding music lessons in due course.

Regarding costumes for Tudor Day, please remember that hats are made in school, and I do have a variety of waistcoats for boys if you are experiencing any problems. A further letter can be provided if you need another copy.

If anyone wishes to help in the making of Tudor biscuits, we will be doing this on Wednesday, 27th January at 1.00pm. If you are interested in helping a small group on that afternoon please notify me in your child's planner.

As always, do not hesitate to contact me regarding any problems, queries or details of events.

Yours sincerely

Mrs A McGivern
Form Five Teacher
